### **UPDATE: MDOT Roadway Information Due to Flooding**

**JACKSON, MISS., Friday, May 13, 2011---** The Mississippi Department of Transportation (MDOT) would like to inform motorists of the following roadway information regarding the Mississippi River high flood waters.

The Mississippi Department of Transportation is working in conjunction with the Corps of Engineers to provide accurate information regarding the high flood water at the Mississippi River. MDOT is continuously working to update survey data along with the Corps of Engineers who are updating their inundation maps to identify the affected roadways.

“Sections of routes like US 61 north and SR 3 in Warren County have been put on our probable closure list,” said Central District Transportation Commissioner Dick Hall. “These are major thoroughfares for travelers in this region. I can’t emphasize enough for people to secure their belongings and evacuate while they can. Your Mississippi Department of Transportation is charged in maintaining the safety of all the traveling public. As such we will be closing these and other routes as the flooding continues. Log on to [www.gomdot.com](http://www.gomdot.com) for the latest updates from the Mississippi Department of Transportation and MEMA.”

Below is a list of present road closures, probable and possible future closures, for MDOT maintained routes due to the Mississippi River flooding. This list will be updated continually and is subject to change if predicted water levels change. MDOT intends to keep all roads open until they become affected by high flood waters.

#### **CURRENT ROAD CLOSURES**

- **US 61 – Warren County – North of Vicksburg at the US 61/SR 3 intersection near Redwood to Backwater Levee – Closed at Noon 13-May-11**
- **SR 16 / SR 149 (Old Hwy 49W) – Yazoo County – Whittington Auxiliary Channel to Erickson Road – CLOSED UNTIL FURTHER NOTICE**
