MEMA receives initial damage reports from severe weather

PEARL – The Mississippi Emergency Management Agency has received initial damage reports from six counties for the severe weather system that is moving through the state.

The reports from the counties are as follows:

DeSoto: A few buildings and homes damaged.

Marshall: Numerous trees down and at least one farm building damaged.

Quitman: A couple of mobile homes damaged.

Tate: Homes damaged and trees down.

Tunica: One building damaged and trees down.

Union: A few homes and agricultural buildings damaged and trees down.

Severe weather will continue to impact the state through the evening hours and additional damages may be reported from these storms. Please continue to monitor the local weather conditions in your area.

These are initial reports from county emergency managers. Additional damage assessments are underway. MEMA will continue to provide additional reports as information becomes available.
