### **MDOT Activates Call Center**

JACKSON, MISS., Wednesday, May 18, 2011--- The Mississippi Department of Transportation (MDOT) will activate the Call Center for traffic information today.

Due to an increase in call volume, the Call Center is now available. The public is urged to call **1-866-521-6368** for road closure information.

MDOT would also like to remind motorists to visit our website at [www.goMDOT.com](http://www.goMDOT.com) for a list of road closures and probable future closures due to flooding.

For the most up-to-date information in your area, please visit [www.MSTraffic.com](http://www.MSTraffic.com) and sign up for your traffic alerts. Also, visit <http://www.mstraffic.com/mobile> to get the latest traffic information from MSTraffic.com on your mobile device. MDOT advises the public to pull off the road to a safe location if you need to check the MSTraffic.com website while driving. MDOT's number one concern is the safety of the traveling public. For more information, contact the MDOT Public Affairs Division at 601-359-7074.
