

Questions and Answers for RFP 010-05

1. Under "Required Services" paragraph 2. What kind of "samples" are you needing? Also, it says you want our mailing list, can we submit that on a cd or do you want it printed out? (it would be a lot of paper printed out) **Answer: Samples will include a sample of the literature that is mailed to your mailing list, or any additional marketing/advertising that your company is willing to provide. The mailing list, or other bulky examples, may be submitted on a CD or a portable USB flash drive.**
  
2. In the same paragraph, the 2nd sentence--I assume this is information you want if we are awarded the bid. Is this correct? **Answer: No, we would like to see the examples and how large the mailing/distribution list for the company is as part of scoring the proposals.**
  
3. Can we charge a buyer's premium? **Answer: Per the Mississippi Department of Finance and Administration, the company selected will not be allowed to charge a buyer's premium.**
