

Exercise 11 – Overview – Unit 9

Purpose

The purpose of this exercise is to provide participants with an opportunity to list potential hazards that may be found at an incident base or camp, and to identify the appropriate Unit Leader who would take corrective action.

Objectives

Students will:

- List potential hazards that may be found at an incident base or camp.
- Identify the appropriate Unit Leader who would take corrective action.
- Fill out ICS Form 213, General Message, for one hazard.

Exercise Structure

This exercise will last approximately 45 minutes, including small group discussion and presentation of group findings. The participants will gather in small groups to brainstorm hazards that may be found at an incident base or camp, and determine the appropriate Unit Leader within the Logistics Branch who would be responsible for taking corrective action. In addition, each student will individually complete ICS Form 213, General Message, to inform one Unit Leader about one of the potential hazards that they anticipate. Each group will present their findings to the rest of the class.

Rules, Roles, and Responsibilities

The following are the specific activities and instructions for your participation in the exercise:

1. Within your small group, select a group spokesperson.
2. Brainstorm hazards that may be found at an incident base or camp.
3. Determine which Unit Leader within the Logistics Section would be responsible for taking corrective action.
4. Individually, fill out ICS Form 213, General Message, for one of the hazards.
5. Present your results to the rest of the class.
