They include the following:</p> <ul style="list-style-type: none"> <li>Search and Rescue Agents</li> <li>Infrastructure and Utilities Repair Personnel: County and municipal agencies must be permitted immediate access to evaluate essential services such as water, lighting, and communications are restored and infrastructure is intact.</li> <li>Official Damage Assessment Teams: may include FEMA, state, local, and tribal officials.</li> <li>Other personnel at the discretion of the EOC or municipality.</li> </ul> <p><b>Level 2 (Limited)</b></p> <p>This level allows for the re-entry of other critical groups, residents and businesses. Entry is based on the determination of the EOC or municipality and public safety personnel. These groups include the following:</p> <ul style="list-style-type: none"> <li>Relief Workers: will be needed to provide food and other supplies for people in impacted areas who did not evacuate.</li> <li>Healthcare Agencies: hospitals, nursing homes, assisted living facilities, and dialysis centers.</li> <li>Insurance Agents.</li> <li>Residents and business operators. Municipal officials will make the decision and permit residents and business operators to return to impacted areas based on an overall evaluation of the situation. Residents and business operators will be allowed to reenter their communities when the governing jurisdictions, in consultation with the EOC, agree that the following factors are resolved: <ul style="list-style-type: none"> <li>- Access: major routes are intact and passable.</li> <li>- Public Health: threats have been minimized.</li> </ul> </li> </ul>
