Objectives

By the end of this unit, students will have successfully:

• Reviewed the Course Objectives
• Reviewed the Unit Enabling Objectives
• Completed the final exam and exercise
• Completed all necessary documentation

Methodology

This unit incorporates lecture, discussion-based activities, and an exercise.

The purpose of the Final Exercise is for students to synthesize and apply all of the information they have learned so far in the course in a hands-on setting.

The purpose of the Final Exam is for the students to demonstrate the understanding of the course and unit enabling objectives.
Time Plan

A suggested time plan for this unit is shown below. More or less time may be required, based on the experience level of the group.
