Public Assistance Defined

Supplemental financial assistance to State and local governments and certain private non-profit organizations for response and recovery activities required as a result of a federally declared disaster.

Funding is cost shared at a federal share of no less than 75% of eligible costs.
In the end, governmental agencies will receive 75% federal reimbursement and 12.5% state reimbursement.

Private Non-Profit agencies will receive 75% federal reimbursement.
• It is a supplemental cost **REIMBURSEMENT** program with specific eligibility requirements.

• The FEMA share of eligible costs will be available to the recipient (grantee) for disbursement to the applicants.

• Public Assistance is NOT –

• Assistance to local populations for damages to private houses, commercial property, local businesses, etc.
• **FEMA** – manages the program, provides technical assistance, approves grants.

• **State (Recipient)** – educates applicants, works with FEMA to manage the program, implements and monitors grants awarded.

• **Applicant (Subrecipient)** – identifies damages, provides documentation, manages funded projects.

G. Other (Parks, Recreation, etc.)
FEMA is authorized to provide Public Assistance funding for **Emergency Work**, including emergency protective measures and debris removal.

Emergency Work is that which must be done immediately to:

- Save lives
- Protect public health and safety
- Protect improved property
- Eliminate or lessen an immediate threat of additional damage.
Actions taken by applicants before, during, and after a disaster to save lives, protect public health and safety, and prevent damage to improved property. Includes:

- Search and Rescue; Fire and Flood Fighting
- Security, such as barricades, fencing, or law enforcement.
- Push of Debris (not disposal)
Stafford Act – Section 324 authorizes PA funding for management costs (indirect costs, administrative expenses, etc.)

- Preliminary Damage Assessments
- Meetings regarding the PA Program
- Organizing damage sites into logical groups
- Correspondence

Funding is based on actual costs up to a specified amount at 100% federal funding. Applicant must track costs.
To be eligible for reimbursement, costs must:

- Be reasonable and necessary to accomplish eligible work
- A cost is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the Applicant makes the decision to incur the cost
To be eligible for reimbursement, costs must:

- Comply with federal, state, and local laws and regulations.
- Authorized and not prohibited under Federal, State, Territorial, Tribal, or local government laws or regulations.
- Consistent with the Applicant’s internal policies, regulations, and procedures that apply uniformly to both Federal awards and other activities of the Applicant.
To be eligible for reimbursement, costs must:

- Include deductions of insurance proceeds, salvage value, and purchase discounts.
Force Account - Cat B Cost

- **Labor** – EPM– **Only** Overtime is eligible (including Fringe Benefits).

- **Materials** – The costs for items used from applicant’s inventory and for items purchased to make authorized repairs to meet the scope of work are eligible.

- **Applicant owned Equipment** – The costs associated with the equipment used to perform authorized repairs, all operating equipment hours are eligible, should be supported by Labor Time Sheets. Rates based on FEMA Schedule of Equipment Rates.

Time limits for project completion begin on the disaster declaration date.

- Emergency work must be completed within 6 months

The Recipient can grant time extension for extenuating circumstances. Those extensions are:

- Emergency work: up to 6 additional months

The Regional Administrator may increase these time extensions on a case-by-case basis.

**NOTE:** If the deadline for any project has been reached, without an approved time extension, no costs past the deadline date will be eligible for funding!
Special considerations are issues other than program eligibility that could affect the scope of work and funding of a project. These issues include:

- Insurance
- Hazard Mitigation
- Environmental Protection
- Floodplain Management
- Historic Preservation and Cultural Resources
- Actual or anticipated insurance proceeds will be deducted from the eligible project costs for facilities that are insured.

- All applicants are required to obtain and maintain insurance coverage on all insurable facilities as a condition of Public Assistance funding.

- For flood damaged facilities located within a Special Flood Hazard Area that are not covered by flood insurance, FEDERAL ASSISTANCE WILL BE REDUCED BY THE MAXIMUM FLOOD INSURANCE PROCEEDS THAT WOULD HAVE BEEN PAYABLE HAD THE FACILITY BEEN INSURED.
Applicants are required to maintain complete and accurate documentation, by project, for all disaster-related costs.

Documentation must be maintained a minimum of three years after applicant close-out.

Who should be your Applicant Agent?

- Understands Program Elements
- Familiar with Computer
- Well Organized
- Readily Available
The Delivery Model, in effect, will demand more responsibility and work on the Applicant.
Pace and Priority: You will feel that you are being rushed to supply the required documentation. The goal is to get your projects developed so that your reimbursements can flow quickly. Managing your Public Assistance Grant will require that you make your meetings and documentation a priority.
- This is an Emergency Declaration – EPM Only.

- It is a supplemental cost **REIMBURSEMENT** program with specific eligibility requirements.
