Amendment 1 – Questions and Answers

1. So that I can make sure I understand the scope of the bid request ... you are looking for someone who will be available upon notification of an emergency, to deliver, hookup, maintain and then return rented generator equipment and then subsequently bill the state for services rendered?

This is ***not*** a bid whereby we will submit a flat rate cost to be on call for a year, to be paid whether there is an emergency response or not. Is that correct?

The contractor will only be paid for services rendered upon notification from MEMA that services are needed in the event of a disaster. The contractor will not be paid annually due to a signed contract.

2. Regarding IFB RFx Number: 3160005641 Standby Generator Services, can you please confirm that bids are due by 1:00 pm CST on April 6th (page 7, 5.1 Bid Submission states that bids are due April 3, 2023)?

Section 5.1 in the bid solicitation packet is an error. All bid submissions are due April 6, 2023, at 1 PM CST.
