Statewide Mutual Aid Compact (SMAC)

Revised: March 2022

THIS AGREEMENT IS ENTERED INTO AMONG THE STATE OF MISSISSIPPI, MISSISSIPPI EMERGENCY MANAGEMENT AGENCY, EACH COUNTY AND MUNICIPALITY, AND THE MISSISSIPPI BAND OF CHOCTAW INDIANS THAT EXECUTE AND ADOPT THE TERMS AND CONDITIONS CONTAINED HEREIN BASED ON THE FOLLOWING FACTS:

WHEREAS, the State of Mississippi is geographically vulnerable to hurricanes, tornadoes, freshwater flooding, and other natural disasters that, in the past, have caused severe disruption of essential human services and severe property damage to public roads, utilities, buildings, parks, and other government-owned facilities; and

WHEREAS, the Mississippi Band of Choctaw Indians, a sovereign nation and Federally recognized American Indian tribe living with the State of Mississippi, and the State of Mississippi have a mutual interest in protecting their citizens and properties and acknowledge that mutual cooperation in responding to man-made and natural disasters is beneficial to the State of Mississippi, the State's political subdivisions, and the Mississippi Band of Choctaw Indians.

WHEREAS, Section 33-15-19 of the Mississippi Code of 1972, as amended, authorizes the State and its political subdivisions to develop and enter into mutual aid agreements with each other and the Mississippi Band of Choctaw Indians for reciprocal emergency aid and assistance in case of emergencies, too extensive to be dealt with unassisted; and

WHEREAS, Section 33-15-1 et seq. of the Mississippi Code of 1972, as amended, sets forth details concerning powers, duties, rights, privileges, and immunities of political subdivisions of the state rendering outside aid; and

WHEREAS, Section 33-15-11 & 33-15-13 of the Mississippi Code of 1972, as amended, authorizes the State to enter into a contract on behalf of the State for the lease or loan to any political subdivision of the State and the Mississippi Band of Choctaw Indians any real or personal property of the state government or the temporary transfer or employment of personnel of the state government to or by any political subdivision of the State; and

WHEREAS, Section 33-15-17 of the Mississippi Code of 1972, as amended, authorizes the governing body of each political subdivision of the State to enter into such contract or lease within the State, accept any such loan, or employ such personnel, and such political subdivision may equip, maintain, utilize, and operate any such property and employ necessary personnel therefor in accordance with the purposes for which such contract is executed, and to otherwise do all things and perform any and all acts which it may deem necessary to effectuate the purpose for which contract was entered into; and

WHEREAS, MEMA requires that each municipality must coordinate requests for state or federal emergency response assistance with its county, while county and tribal requests for state or federal emergency response assistance may be made directly to MEMA; and

WHEREAS, the Parties to this Agreement recognize that additional manpower and equipment may be needed to mitigate further damage and restore vital services to the citizens of the affected community should such disasters occur; and

WHEREAS, to provide the most effective mutual aid possible, each Participating Government intends to foster communications between the personnel of the other Participating Governments by visits, provisions of available resources as listed in the statewide resource database (WebEOC Resource Manager), exchange of information, and development of plans and procedures to implement this Agreement;

NOW, THEREFORE, the Parties agree to agree as follows:

1. DEFINITIONS

a. “AGREEMENT” means the Statewide Mutual Aid Agreement/Compact. Political subdivisions of the State of Mississippi and Mississippi Band of Choctaw Indians may become a party to this Agreement by executing a copy of this Agreement and providing a copy with the original signatures and authorizing resolution(s) to the Mississippi Emergency Management Agency. Copies of the Agreement with original signatures and copies of authorizing resolutions and insurance letters shall be filed and maintained at the Agency headquarters in Pearl, Mississippi.

b. “REQUESTING PARTY” means the Participating Government entity requesting aid in the event of an emergency. Each municipality must coordinate state or federal emergency response assistance requests through its county.

c. **“ASSISTING PARTY”** means the Participating Government entity furnishing equipment, services, and/or manpower to the Requesting Party.

d. **“AUTHORIZED REPRESENTATIVE”** means an employee of a Participating Government authorized in writing by that government to request, offer or provide assistance under the terms of this Agreement. The list of authorized representatives for the Participating Government executing this Agreement shall be attached as Appendix 1 (SMAC Authorized Representatives) and shall be updated as needed by each Participating Government.

e. **“AGENCY”** means the Mississippi Emergency Management Agency.

f. **“EMERGENCY”** means any occurrence, or threat thereof, whether natural or caused by man, in war, or in peace, which results or may result in substantial injury or harm to the population or substantial damage to or loss of property.

g. **“DISASTER”** means any natural, technological, or civil emergency that causes damage of sufficient severity and magnitude to result in a proclamation of a local emergency by a city/county or the Tribal Chief, a declaration of a State of Emergency by the Governor, or a disaster declaration by the President of the United States.

h. **“MAJOR DISASTER”** means a disaster that will likely exceed local capabilities and require a broad range of state and federal assistance.

i. **“PARTICIPATING GOVERNMENT”** means the State of Mississippi, any political subdivision of the State of Mississippi, and/or the Mississippi Band of Choctaw Indians, which executes this mutual aid agreement and supply a completed copy to MEMA.

j. **“PERIOD OF ASSISTANCE”** means the period of time beginning with the departure of any personnel and equipment of the Assisting Party from any point for the purpose of traveling to the Requesting Party in order to provide assistance and ending upon the return of all personnel and equipment of the Assisting Party, after providing the assistance requested, to their residence or regular place of work, whichever occurs first. The period of assistance shall not include any portion of the trip to the Requesting Party or the return trip from the Requesting Party during which the personnel of the Assisting Party are engaged in a course of conduct not reasonably necessary for their safe arrival at or return from the Requesting Party.

k. **“WORK OR WORK-RELATED PERIOD”** means any period of time in which either the personnel or equipment of the Assisting Party are being used by the Requesting Party to provide

assistance and for which the Requesting Party will reimburse the Assisting Party. Specifically included within such period of time are rest breaks when the personnel of the Assisting Party will return to active work within a reasonable time. Specifically excluded from such periods of time are breakfast, lunch, and dinner breaks.

Nothing should be derived from the above statement that excludes Assisting Party personnel from being considered “on the job” for purposes of workers compensation injuries or accidents during these periods.

2. PROCEDURES.

When a Participating Government either becomes affected by or is under imminent threat of a major disaster, it may request emergency-related mutual aid assistance either by: (1) proclaiming a local emergency and transmitting a copy of that proclamation along with a completed Part 1 “Identification of Need” form (Form REQ-A, Appendix 2) to the Assisting Party or MEMA; or (2) by orally communicating a request for mutual aid assistance to the Assisting Party or MEMA, followed as soon as practicable by written confirmation of said request shown as Form REQ-A in Appendix 2.

Participating Governments shall not request mutual aid unless resources available within the stricken area are deemed inadequate by that Participating Government. Municipalities shall coordinate state or federal assistance requests with their county emergency management agencies, and county and tribal emergency agencies may coordinate state or federal assistance requests directly with MEMA. All requests for mutual aid shall be transmitted by the Authorized Representative or the Director of the local county emergency management agency. Requests for assistance may be communicated either to MEMA or directly to an Assisting Party. Requests for assistance under this Agreement shall be limited to major disasters, except where the Participating Government has no other mutual aid agreement based upon Section 33-15-19(a), Mississippi Code, in which case a Participating Government may request assistance pursuant to the provisions of this Agreement.

a. Requests Directly To Assisting Party: The Requesting Party may directly contact the authorized Representative of the Assisting Party and shall provide them with the information in paragraph C below. All communications shall be conducted directly between the Requesting and Assisting Parties. Each party shall be responsible for keeping the Agency advised of the status of the response activities. MEMA shall not be responsible for costs associated with such direct requests for assistance unless it so elects. However, by rule, the Agency may provide for reimbursement of eligible expenses from the Disaster Assistance Trust fund.

b. Requests Routed Through Or Originating From, The Agency: The Requesting Party may directly contact the Agency, in which case it shall provide MEMA with the information in paragraph C below. The Agency may then contact other Participating Governments on behalf of the Requesting Party and coordinate the provision of mutual aid. The Agency shall not be responsible for costs associated with such indirect requests for assistance unless the Agency so indicates in writing at the time it transmits the request to the Assisting Party. In no event shall MEMA be responsible for costs associated with assistance in the absence of appropriated funds. In all cases, the party receiving the mutual aid shall be primarily responsible for the costs incurred by any Assisting Party providing assistance pursuant to the provisions of this Agreement.

c. Required Information: Each request for assistance shall be accompanied by the following information, to the extent known:

(1) A general description of the damage sustained.

(2) Identification of the emergency service function for which assistance is needed (e.g., fire, law enforcement, emergency medical, transportation, communications, public works, and engineering, building inspection, planning and information assistance, mass care, resource support health, and other medical services, search, and rescue, etc.) and the particular type of assistance needed.

(3) Identification of the public infrastructure system for which assistance is needed (i.e., sanitary sewer, potable water, streets, or stormwater systems) and the type of work assistance required.

(4) The amount and type of personnel, equipment, materials, and supplies needed and a reasonable estimate of the length of time they will be required and include a description of working conditions and if personnel will be locally housed.

(5) The need for sites, structures, or buildings outside the Requesting Party's political subdivision to serve as relief centers or staging areas for incoming emergency goods and services.

(6) An estimated time and a specific place for a representative of the requesting Party to meet the personnel and equipment of any Assisting Party.

This information may be provided on the form shown in Appendix 2 as the form REQ-A or by any other available means. MEMA may revise the format of Form REQ-A subsequent to the execution of this Agreement, in which case it shall distribute copies to all Participating Governments.

d. Assessment Of Availability Of Resources And Ability To Render Assistance: When contacted by a Requesting Party or the Agency, the authorized representatives of any Participating Government agree to assess their government's situation to determine available personnel, equipment, and other resources. All Participating Governments shall render assistance to the extent personnel, equipment, and resources are available. Each Participating Government agrees to render assistance in accordance with the terms of this Agreement to the fullest extent possible. When the Authorized Representative determines that his Participating Government has available personnel, equipment, or other resources, they shall so notify the Requesting Party/Agency and provide the information on Part 2 of the REQ-A form. The Agency shall, upon response from sufficient participating Parties to meet the needs of the Requesting Party, notify the Authorized Representative of the Requesting Party and provide them with the information to the extent known on Part 2 of REQ-A form. The Assisting Party shall complete a written acknowledgment regarding the assistance to be rendered. It shall transmit said request by the quickest, most practical means to the Requesting Party or the Agency, as applicable for approval. The form to serve as this written acknowledgment is shown in Appendix 2 as Form REQ-A.

e. Written Acknowledgement: The Requesting Party/Agency shall respond to the written acknowledgment by executing Part 3 of the REQ-A form shown in Appendix 2 and returning a copy to the Assisting Party by the quickest, most practical means. Additionally, the Requesting Party/Agency must maintain a copy for its files.

f. Supervision And Control: The personnel, equipment, and resources of any Assisting Party shall remain under the operational control of the Requesting Party for the area in which they are serving. Direct supervision and control of said personnel, equipment, and resources shall remain with the designated supervisory personnel of the Assisting Party. Representatives of the Requesting Party shall assign work tasks to the supervisory personnel of the Assisting Party. The designated supervisory personnel of the Assisting Party shall have the responsibility and authority for assigning work and establishing work schedules for the personnel of the Assisting Party based on task or mission assignments provided by the Requesting Party and the Agency. The designated supervisory personnel of the Assisting Party shall: maintain daily personnel time records, material records, and a log of equipment hours; be responsible for the operation and maintenance of the equipment and other resources furnished by the Assisting Party; and shall report work progress to the Requesting Party. This Agreement shall not support any person, group, or organization that self-deploys.

g. Food, Housing, Self-Sufficiency: Unless specifically instructed otherwise, the Requesting Party shall have the responsibility of providing food and housing for the personnel of the Assisting Party from the time of their arrival at the designated location to the time of their departure.

However, assisting Party personnel and equipment should be self-sufficient for operations in areas stricken by emergencies or disasters to the greatest extent possible. The Requesting Party may specify only self-sufficient personnel and resources in its request for assistance.

h. Rights And Privileges: Whenever the employees of the Assisting Party are rendering outside aid pursuant to this Agreement, such employees shall have the powers, duties, rights, privileges, and immunities, and shall receive the compensation incidental to their employment as authorized in 33-15-15(b)(2).

i. Communications: Unless specifically instructed otherwise, the Requesting Party shall have the responsibility for coordinating communications between the personnel of the Assisting Party and the Requesting Party. Assisting Party personnel should be prepared to furnish communications equipment sufficient to maintain communications among their respective operating units.

3. REIMBURSABLE EXPENSES.

The terms and conditions governing reimbursement for any assistance provided under this Agreement shall be in accordance with the following provisions unless otherwise agreed upon by the Requesting and Assisting Parties and specified in the written acknowledgment executed in accordance with paragraphs 2D and 2E of this Agreement. The Requesting Party shall be ultimately responsible for reimbursement of all eligible expenses. The Assisting Party shall submit reimbursement documentation to the Requesting Party on the forms shown in the Intrastate Reimbursement Summary Form (Form R-2, Appendix 3).

a. Personnel: During the period of assistance, the Assisting Party shall continue to pay its employees according to its then-prevailing ordinances, rules, and regulations. The Requesting Party shall reimburse the Assisting Party for all direct and indirect payroll costs and expenses, including travel expenses incurred during the period of assistance, including, but not limited to, employee pensions and benefits as provided by Generally Accepted Accounting Principles (GAAP). However, the Requesting Party shall not be responsible for reimbursing any amounts paid or due as benefits to employees of the Assisting Party under the terms of the Mississippi Workers' Compensation Act (Section 71-3-1, Mississippi Code) due to personal injury or death occurring while such employees are engaged in rendering aid under this Agreement. Both the Requesting Party and the Assisting Party shall be responsible for payment of such benefits only to their own employees.

b. Equipment: The Assisting Party shall be reimbursed by the Requesting Party for the use of its equipment during the period of assistance according to either a pre-established local, state, or federal hourly rate or according to the actual replacement, operation, and maintenance expenses incurred. For those instances in which the Federal Emergency Management Agency reimburses costs, the eligible direct costs shall be determined in accordance with 44 CFR 206.228. The Assisting Party shall pay for all repairs to its equipment as determined necessary by its on-site supervisor(s) to maintain such equipment in safe and operational condition. At the request of the Assisting Party, fuels, miscellaneous supplies, and minor repairs may be provided by the Requesting Party if practical. The total equipment charges to the Requesting Party shall be reduced by the total value of the fuels, supplies, and repairs furnished by the Requesting Party and by the amount of any insurance proceeds received by the Assisting Party.

c. Materials And Supplies: The Assisting Party shall be reimbursed for all materials and supplies furnished by it and used or damaged during the period of assistance, except for the costs of equipment, fuel and maintenance materials, labor, and supplies, which shall be included in the equipment rate established in 3B unless such damage is caused by gross negligence, willful and wanton misconduct, intentional misuse, or recklessness of the Assisting Party's personnel. The Assisting Party's Personnel shall use reasonable care under the circumstances in the operation and control of all materials and supplies used by them during the period of assistance. The measure of reimbursement shall be determined in accordance with 44 CFR 206.228. In the alternative, the Parties may agree that the Requesting Party will replace the materials and supplies used or damaged with like kind and quality as determined by the Assisting Party. If such an agreement is made, it shall be reduced to writing and transmitted to the Agency.

d. Record Keeping: The Assisting Party shall maintain records and submit invoices for reimbursement by the Requesting Party or the Agency utilizing format used or required by FEMA publications, including 44 CFR Part 13 and applicable Office of Management and Budget Circulars. Requesting Party and Agency finance personnel shall provide information, directions, and assistance for record-keeping to Assisting Party personnel.

e. Payment: Unless otherwise mutually agreed in the written acknowledgment executed in accordance with paragraph 2.E. or a subsequent written addendum to the acknowledgment, the reimbursable expenses with an itemized notice are payable as soon as practicable after the expenses are incurred, but not later than 60 days following the period of assistance unless the deadline for identifying damage is extended in accordance with 44 CFR part 206. The Requesting Party shall pay the bill or advise of any disputed items, not later than the timeframe outlined above. These time frames may be modified by mutual agreement. This shall not preclude an Assisting Party or Requesting Party from assuming or donating, in whole or in part, the costs associated with any

loss, damage, expense, or use of personnel, equipment, and resources provided to a Requesting Party.

f. Payment by or Through the Agency: The Mississippi Emergency Management Agency may reimburse for all actual and necessary travel and subsistence expenses for personnel providing assistance pursuant to the request of the Agency, to the extent of funds available and contingent upon an annual appropriation from the legislature for such purposes. The Assisting Party shall be responsible for making a written request to the Agency for reimbursement of travel and subsistence expenses prior to submitting a request for payment to the Requesting Party. The Assisting Party's written request should be submitted as soon as possible after the expiration of the period of assistance. The Agency shall provide a written response to said requests within ten days of actual receipt. If the Agency denies said request, the Assisting Party shall then bill the Requesting Party. In the event that an affected jurisdiction requests assistance without forwarding said request through the Agency, or an Assisting Party provides assistance without having been requested by the Agency to do so, the Agency shall not be liable for reimbursement of any of the cost(s) of assistance. The Agency may serve as the eligible entity for requesting reimbursement of eligible costs from FEMA. Any costs to be so reimbursed by or through the Agency shall be determined in accordance with 44 CFR 206.228. The Agency may authorize applications for reimbursement of eligible costs from the Disaster Assistance Trust Fund, established pursuant to Section 33-15-301 Mississippi Code, in the event that the disaster or emergency event is not declared pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended by Public Law 100-707. Such applications shall be evaluated pursuant to rules established by the Agency and may be funded only to the extent of available funds.

4. IMMUNITY.

To the extent permitted by law, the Parties shall not be liable for actions to the extent provided by Section 33-15-21. The Parties may waive this immunity in a manner provided by law to the extent that adequate insurance coverage is in effect.

5. LENGTH OF TIME FOR EMERGENCY.

The duration of such local emergency declared by the Requesting Party is limited to 30 days. It may be extended with review, if necessary, in 30-day increments as specified in 33-15-17.

6. TERM.

This Agreement shall be in effect for four (4) years from the date hereof. It shall automatically be renewed in successive four-year terms unless terminated upon 60 days advance written notice by

the Participating Government. Notice of such termination shall be made in writing and shall be served personally or by registered mail to the Director of Mississippi Emergency Management Agency, who shall provide copies to all other Participating Parties. Notice of termination shall not relieve the withdrawing Party from obligations incurred hereunder prior to the effective date of the withdrawal and shall not be effective until 60 days after notice thereof has been set by the Director of the Mississippi Emergency Management Agency to all other Participating Governments.

7. EFFECTIVE DATE OF THIS AGREEMENT.

This Agreement shall be in full force and effect upon approval by the Participating Government and upon proper execution hereof.

8. ROLE OF MISSISSIPPI EMERGENCY MANAGEMENT AGENCY.

The responsibilities of the Mississippi Emergency Management Agency under this Agreement are to:

- a.** Request mutual aid on behalf of a Participating Government under the circumstances identified in this Agreement;
- b.** Coordinate the provision of mutual aid to a Requesting Party pursuant to the provisions of this Agreement;
- c.** Serve as the eligible entity for requesting reimbursement of eligible costs from FEMA upon a Presidential Disaster Declaration;
- d.** Serve as the central depository for executed Agreements;
- e.** Maintain a current listing of Participating Governments with their Authorized Representative and contact information and provide a copy of the listing to each of the Participating Governments on an annual basis during the second quarter of the calendar year.

MEMA will assume no responsibility for any person, group, or organization that self deploys.

9. SEVERABILITY, EFFECT ON OTHER AGREEMENTS.

Should any portion, section, or subsection of this Agreement be held to be invalid by a court of competent jurisdiction, that fact shall not affect or invalidate any other portion, section, or

subsection; and the remaining portions of this Agreement shall remain in full force and effect without regard to the portion, section, subsection, or power invalidated.

In the event that any parties to this Agreement have entered into other mutual aid agreements pursuant to Section 33-15-19, Mississippi Code, or interlocal agreements pursuant to Section 17-13-1 (Interlocal Cooperation of Governmental Units - §§ 17-13-1 — 17-13-17), Mississippi Code, those parties agree that this Agreement supersedes said agreements only for emergency management assistance and activities performed in catastrophic emergencies pursuant to this Agreement. In the event that two or more parties to this Agreement wish to engage in mutual aid, then the terms and conditions of this Agreement shall apply unless otherwise agreed between those parties.
